Muhammad Hamza Shabbir

Full Stack Developer

Skilled in Laravel(Livewire + Alpine.js), React.js, Next.js, MySql, Rest API, Git, GitHub, Bitbucket, API Integration, and Full-Stack Development. I have been learning and working with Full Stack Development since 2018, the period during which I have worked in different environments. I am a self-motivated and self-taught professional who likes to solve problems. I merge a passion for usability and user experience with technical knowledge to create cool digital experiences.
